

The background is a dark blue space-themed design. It features several concentric circles in shades of purple and blue, centered around the text. Overlaid on these are thin, glowing lines in purple and blue that form orbital paths, similar to those in a Bohr model of an atom. Small white dots are scattered throughout, representing stars. In the four corners, there are faint, stylized crosshair or plus-sign shapes in light blue, purple, and green.

OTTAWA REGIONAL SCIENCE FAIR

SPONSORSHIP PROPOSAL

Empowering Young Scientists

The Ottawa Regional Science Fair is organized and run by a volunteer organization to encourage students in the Ottawa-Carleton Region, from grades 7 to 12, to research, develop, and present projects in the fields of science and engineering.

Students from both public and private schools in the region are invited to enter projects in the fair.

Each year, approximately 200 projects are entered and judged in the Junior (grades 7 and 8), Intermediate (grades 9 and 10), Senior (grades 11 and 12), and special awards categories.

The awards and prizes include cash awards and scholarships. Participation in the Fair also ensures the students' eligibility to compete for a position on the team representing the Ottawa-Carleton Region at the subsequent national competition, the Canada Wide Science Fair (CWSF).

We award over \$25,000 worth in prizes, including 11 all expenses paid trips to compete at the Canada-Wide Science Fair.

Many schools hold their own school science fairs where they select their participants for the ORSF. If your school does not hold its own fair you may register for the ORSF directly.

Choose Your Impact Level

TITANIUM All benefits	\$10,000+
PLATINUM Gold plus Platinum benefits	\$6,000 – \$9,999
GOLD Silver plus Gold benefits	\$3,500 – \$5,999

Recognition Information

Early Recognition: Commit anytime and get recognized immediately, even if you prefer to pay later. Contact us to get started!
Recognition continues from commitment through the fair and beyond.

TO CONFIRM YOUR SPONSORSHIP

Four Simple Steps

1

EMAIL CONFIRMATION

Respond by email by the last week of February to sponsorship@orsf.ca with your level of sponsorship and benefit options.

2

SUBMIT YOUR LOGO

Send an electronic version of your logo in vector format (.ps, .eps, or .ai) and .jpeg format by end of February to sponsorship@orsf.ca

3

SEND PAYMENT

Mail cheque payable to Ottawa Regional Science Fair to: P.O. Box 8286, Station T CSC, Ottawa, ON K1G 3H7. E-transfer also available.

4

PROMOTIONAL MATERIALS

For sponsorship levels permitting promotional handouts, contact us to arrange delivery before the deadline.

Additional Opportunities

Invitation for Judges

Volunteer to engage with students and help develop their communication skills.

Invitation for Special Awards

Sponsor topic-specific awards to engage with like-minded participants.
